As a customer of Pegasus Transit, we appreciate the trust you place in us. Rest assure we are taking all the precautions to ensure your health and your safety travels.

In the current environment, it's important for all of us to travel smarter and more consciously. **In addition to the CDC recommendations for the bus sanitation, we carry onboard sanitizer and disinfectant wipes and aerosols to be used frequently during travel time as needed.**

To ensure safety, we are continually monitoring the COVID-19 situation updating our cleaning policies and actions to keep you safe. Transparency is one of our core values and we are committed to keeping you fully informed as the situation evolves.

Providing a safe transit journey and working environment, requires a partnership with our staff and riders. As a reminder on how to prevent the spread of COVID-19, we have also placed posters from CDC on all our buses and locations.
